DIARY NOTES

DD/S

6 January 1967

1. DD/P Space Movement: At the Executive Committee Meeting this morning Des FitzGerald mentioned that most all of the DD/P had realigned its space occupancy of this building and a massive move has been in effect for some months. He complimented the DD/S and the Office of Logistics as having done a magnificent job with a minimum of dislocation and in a most efficient and effective manner.
